II. I am aware that registration at North Woods Discovery School involves the following:

- Parents/guardians or extended family are encouraged to volunteer five hours per month (45 hrs/year). There are a wide variety of ways this can be served to help your student and the school
- A commitment by parents/guardians and students to attend school as per our non-traditional calendar and in accordance with compulsory education law.
- A commitment by each student to work to the best of his/her ability.
- Help students maintain excellent attendance in accordance with Compulsory Education Laws and in accordance with NWDS Admission and Policies Procedures.
- Must be five years old by December 2nd of enrollment year.
- Attend enrollment orientation before application is accepted. Note: A copy of the most recent report card and a current copy of the IEP or SARB Contract (if applicable) should be attached to this application.

I agree to support my child's education to the best of my ability by assisting with homework instruction and oversight, fulfilling school volunteer opportunities, committing to excellent student attendance, and supporting North Wood's policies and procedures.

III. Parents/Guardians:

North Woods has a math, science, and technology theme. North Woods is a school of choice for students who have a strong interest in these subjects.

For students applying for grades K-2: Please describe below how a focus in science and math will benefit your child, and how the North Woods' mission fits with the goals you have for your child.

For students applying for grades 3-4, students need to write a 1 to 2 paragraph essay stating why they are interested in attending a school with a science, math, and technology focus. For students applying for grades 5-8, the students need to write a one page essay stating why they are interested in a school with a science, math, and technology focus, and how this will lead them to fulfill their interest in these subjects. The last page of this application is supplied for the essay for grades 3-8.
